COLORADO
GIVES
DAY

Corporate Partner

December 6, 2022

Colorado Gives Day is an annual statewide movement to celebrate and increase philanthropy in Colorado through online giving. Donations are accepted through ColoradoGives.org. Please enter "St. Vincent de Paul Society" under "name" or "key word." Thank you for your support!

CGreetings Fellow Vincentians, Loyal Donors and Friends of the Society!

A belated Happy Thanksgiving to all of you! What a privilege it is to serve you and to serve beside you.

Here are some highlights from this past fiscal year:

- Because of our partnership with Energy Outreach Colorado, we were able to help our neighbors in need with over \$400,000 in utility assistance (an all time high for our Society).
- We were able to reimburse our conferences with over \$150,000 in rental support for our neighbors in need.
- In partnership with a local foundation, we were able to assist families with rent, funeral costs, hospital equipment, and elderly/disabled assistance, in excess of \$70,000.
- Funding for our new “Vehicle Repair” program allowed us to help our conferences with over \$17,000 in reimbursements, as they assisted our neighbors with vehicle repairs.
- Our “Fresh Start” loan program made an additional \$15,000 in low interest loans.
- Another of our very fruitful partnerships is with ARC Thrift Stores. ARC sells us their gift cards at a significant savings and then we are able to provide those to our neighbors in need. This past fiscal year we supplied an additional \$7,500 in ARC cards.

In September we held our 15th annual Friends of the Poor Walk and had a great turnout. Check out our website (www.svdpenden.org) for pictures of this event.

Safeguarding

The National, as well as the International, Office of the Society of St Vincent de Paul takes the safety and well being of those we serve, as well as our Vincentian volunteers, very seriously. To that end, the National Office has asked that all Councils and Conferences produce a “Safeguarding Manual” and provide training for all volunteers and staff.

The impetus for this came from an Apostolic letter from Pope Francis in March 2019. A portion of the letter is presented here:

“The protection of minors and vulnerable persons is an integral part of the Gospel message that the Church and all its members are called to proclaim throughout the world. Christ himself, in fact, has entrusted us with the care and protection of the weakest and defenseless: “whoever receives one child such as this in my name receives me” (Mt 18:5). Therefore, we all have the duty to welcome openheartedly minors and vulnerable persons and to create a safe environment for them, with their interests as a priority.”

With the very valuable assistance of Board Member Elaine Murphy, we have developed the first version of our manual and training program (the manual can be found posted on our website).

On a side note, please do what you can to support our Colorado Gives Day event on Tuesday, 12/6/22. This is one of our largest fundraisers of the year. Please see the information in the front of this newsletter.

onference Notes

Members of Nativity of Our Lord Parish in Broomfield participated in the Friends of the Poor Walk last September. Thanks to their supporters and an anonymous donor, they were able to reach their goal and earned a \$7,500 matching donation.

www.EnergyOutreach.org

EOC (Energy Outreach Colorado) - Through a grant from Energy Outreach Colorado we were able to support 440 individuals/families with \$220,000 in utility assistance for an average of \$500 each.

* * *

Ozanam Housing Fund - We were able to support 644 adults and 525 children with over \$125,000 in rental assistance.

* * *

ARC Thrift Store Gift Cards - We provided over \$10,000 in gift cards, assisting 113 adults and 96 children.

* * *

Fresh Start Loan Program - From its inception, we have provided 11 loans totaling over \$13,000. There has been only one default.

From Our Board President

We are not through the pandemic and the situation is fluid. As I write this note to you, a surge in Covid-19 and the Delta variant has thrown a monkey wrench into the progress made in getting through the pandemic.

Whatever happens, Vincentians will continue to serve our neighbors-in-need (NIN). Vincentians have switched from home visits to phone calls in order to help others.

While health protocols will be followed, Vincentians are anxious to return to our traditional in-person relationships with NIN and with each other.

Recently, *some* Vincentians have resumed in-person meetings and a few are making home visits again. A growing number of in-person meetings are taking place, such as the ongoing deanery group meetings among conferences, the Friends of the Poor Walk, the annual business meeting and the Ozanam Orientation earlier this fall.

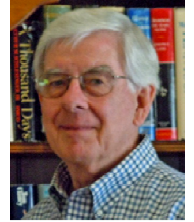

It has been a challenge "to see Christ in the poor and the poor in Christ," as described in the Rule. A home visit helps to make this key aspect of St. Vincent's spirituality real. The Manual reminds us that "From the Society's beginning, the central and most basic activity of Conferences has been the visitation of the needy in their homes. This is the clearest symbol of our Vincentian charism which dictates the highest respect for the dignity of the poor. In that family setting, Vincentians are asked to listen, offer humble advice, and render assistance." The opportunity to return to home visits brings us so much closer to those in need.

Covid-19 caused a precipitous decline in employment, particularly in the restaurant, bar, entertainment and travel businesses. Over 36% of the job losses were in these segments of total employment. Business closings and reduced hours made paying bills difficult for many families. Initially, some of us expected a surge of requests to SSVdP conferences for rent and utility assistance earlier this year but that did not materialize. A variety of federal and state relief programs, such as supplemental unemployment insurance and flat amounts to families based on the number of children, provided funds to meet expenses. As a result, some conferences had ample funds but the number of requests fell.

As the government programs expire, we are very likely to experience a significant increase in the number of requests, as well as the size of the requests. October statistics suggest a resurgence in requests for assistance may be underway.

This is our opportunity to reach out to those in trouble, listen, understand, help and go about following in the footsteps of St. Vincent de Paul and Frederic Ozanam.

Patrick L. Hanafee

Turn your **HEAP** Into *Help!*

The Society of St. Vincent de Paul has a quick and easy way to turn your unwanted car or boat into cash to help those in need.

Go to svdpUSAcars.com or call **1-800-322-8284**

Your donation qualifies as a tax deduction.

Society of St. Vincent de Paul

Colorado Springs District Council - The new Colorado Springs District Council has been approved by the IRS as a 501(c)3 and has been assigned their own EIN number. The new council currently supports eight conferences, the Holy Apostles Conferences being the latest to join. Steve Sisa is presently serving as the Board President. We will miss our Vincentian brothers and sisters from our southern conferences, but we know they will continue to serve their neighbors in need with love and respect.

Your Donations at Work

Your generous donations to St. Vincent de Paul aid us in helping those in need within our communities. Here are two examples from the last year that demonstrate the impact your donation has.

One of our SVdP conferences was able to assist a family of five who lost their husband/father to cancer just two months after his diagnosis. In order to care for her husband after the diagnosis, this young mother was forced to take a leave of absence from her job. Facing mounting bills for rent, utilities, food and daily expenses, she had no choice but to return to work only a few weeks after having lost her husband. St. Vincent de Paul conferences were able to collaborate through our Twinning program to aid this family in regaining some stability.

Another conference assisted a Veteran who had lost his home. Despite working hard to establish himself in a new home, he was in need of assistance with a deposit. The SVdP conference, coupled with the support of the Ozanam Housing Fund, was able to assist him with the deposit, as well as grant him ARC gift cards to partially furnish his new home.

These are but two examples of the families who reach out to our conferences on a daily basis. They are good and honest neighbors who are faced with bad or difficult life events. They simply need a little assistance and they can be lifted over life's obstacles and regain control. St. Vincent de Paul Conferences are not able to help our neighbors without your support. Please consider donating to St. Vincent de Paul- Metro Council this Colorado Gives Day on December 7, 2021.

2021 Top Hat Award

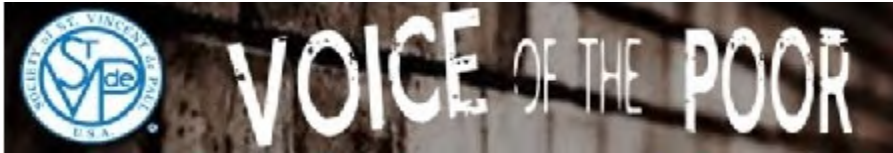

Each year the Denver Metro Council presents the "Top Hat" award to one of the Vincentians who has been nominated by their peers. The qualifications for this award are simple. You must be a Vincentian and you must exemplify the spirit of our founder, Blessed Federic Ozanam. This year was no different. We had many worthy Vincentians nominated, but only one can be selected as the Top Hat award winner. This picture shows Steve Loftis, Executive Director, presenting the Top Hat to Joe Gamarano.

In Joe's nominating document he was described as "... a man of great humility, compassion, and a quintessential Vincentian spirit of service." Joe is one of the founding members of the Light of the World St. Vincent de Paul Conference. Prior to the establishment of the conference, Joe served as the social concerns coordinator for the parish, where he established a food pantry, a weekend backpack food program for students, and provided a "listening ear." As the first president of the Light of the World SVdP Conference, Joe's persistent message to all the volunteers was: "If neighbors in need ask, they are deserving of our help as children of God and humans with inherent dignity."

Congratulations to Joe Gamarano, the 2021 Top Hat award winner!

*"Teach us to give
and not count the cost."
St. Ignatius of Loyola*

WHAT IS VOICE OF THE POOR (VOP)?

Simply put, VOP is the advocacy arm of the Society devoted to changing larger structures (laws, government programs, educational policies) to keep people from becoming poor in the first place. It is closely linked with systemic change which goes beyond addressing the immediate needs of poverty. Instead, it is about partnering with the poor to identify the root causes of their poverty and removing the barriers that keep people impoverished. It is following Christ's call for justice.

WHO IS THE VOICE OF THE POOR?

We all are "voices," but every conference should be represented at the monthly Voice of the Poor meetings. It is vital for the success of our advocacy that VOP hear from members from every conference. To this end, we will continue to meet on zoom to overcome travel difficulties, as well as covid restrictions, during our meetings which take place at 4:30 pm on the second Wednesday of each month. Conference presidents should please send the names of their representatives to corky-treacy@comcast.net or sallykwolfe@gmail.com.

MORE ABOUT VOP

The Denver VOP was organized in Spring 2018 and adopted the following mission statement: In-

spired by Vincentian Values, the Colorado Voice of the Poor identifies *systemic issues* critical to those living in poverty. We partner with social service organizations to advocate for a society in which all human beings have equal opportunity to lead fulfilling lives. In keeping with this goal and national guidelines, VOP collaborates with other organizations and resources. The Colorado VOP works with the office of the Colorado Catholic Conference and meets regularly with Together Colorado, a state-wide community of faith leaders.

This year the National VOP adopted Racism, Housing and Employment as its main concerns. Information on these and other issues can be found in its series of national webinars. These issues affect the people we serve in Colorado and the Denver Metro area. Representation from every conference is important if we are to creatively and successfully identify the people most impacted and find solutions for them.

Visit www.members.ssvpusa.org for more information and click on "Special Works" to find out how vital the work of Voice of the Poor (VOP) is to the work of the Society and your conference. We especially recommend that you listen to the message from Jack Murphy, National VOP Chair, to learn more about VOP's vital programs.

National Assembly

At the National Assembly held in Houston Texas this past August, the National Council passed Resolution 189 which establishes the adoption of a Safeguarding Policy in each local SVdP Council. The purpose of the Safeguarding Policy is to create, in accord with local Diocesan and government guidelines, policies for the protection of everyone to be served by the Society, as well as for its members and others serving on behalf of the Society.

For all who are sick or suffering, may God give them courage and consolation. For the deceased members, the deceased poor, and our deceased benefactors, may God grant them eternal rest.

JoAnn Phillips, Conference president at Presentation, who passed away in February 2021.

Jack Rae, Vincentian at Our Lady of Loreto and a SSVdP "Top Hat" award winner. Jack passed away in February 2021.
